Introduction

Application to Conduct Research

Thank you for your interest in conducting research at Thames Valley District School Board (TVDSB). The TVDSB believes that research plays an important role in guiding the development of board policies and procedure, operational goals, and plans for improvement both at the school and at the board levels.

Please ensure that you have read the document, TVDSB Research Review Guidelines, before completing this application. Note that within this application you will be required to upload electronic copies of the following documents:
