Celebrating 25 years – Together we care!

Together We Care Celebration

– SPONSORSHIP PACKAGE 2026 –

A family-centred fundraising event in support of the Caring Fund

On Thursday, June 4, 2026, we welcome our community to join us in celebrating 25 years with the Together We Care Celebration, a family-centred fundraising event in support of the Caring Fund.

For 25 years, we have been dedicated to supporting students and families, making a lasting impact across our community. This celebration reflects the stories that shaped us, highlights the lives we are supporting today, and looks ahead to the future we are building together.

We will bring the community together through food and beverages, art, dance, music, and storytelling to celebrate the charity's history and the collective impact we have made over the years.

Proceeds from this event will be directed to the Thames Valley Education Foundation's Caring Fund. This fund provides critical support to students and their families facing difficult and unexpected challenges.

By supporting this event, you are making a direct impact in ensuring that students in need - whether now or in the future - have access to vital resources such as food, clothing, and school supplies, enabling them to focus on learning and succeed in their education.

We are pleased to share our sponsorship opportunities, and we are honoured to explore potential collaborations with you.
