

Share your Local Love with United Way!

TVDSB will be collecting employee payroll donations online in 2024!

The online giving tool replaces the need for paper pledge forms, increasing efficiency and confidentiality while providing a user-friendly experience.

On Monday, October 7th, you will receive an email from epledge@unitedwayem.ca with a secure link to your personal giving page.

If you require support or run into issues with the tool, please contact our administrator at epledge@unitedwayem.ca

You can also reach out to your United Way Staff partner for assistance:
