Each United Way is run by a Board of locally trained volunteers who ensures that the funds are allocated to agencies identified within its community. As an option, the Donor Choice program provides donors the opportunity to determine where you would like your donation directed.

If you would like to direct part of your donation specifically to a United Way member agency or a registered Canadian charitable organization please complete the following: (A small fee to recover costs will be charged to charities not affiliated with United Way. Minimum \$25 gift per designation is required.)

I do not wish to be publicly recognized for my gift. Please make me anonymous in any print or digital media recognizing donors.

Three Easy Ways to Give

1 Online Giving

Again this year your school has the opportunity to support your community through online pledging. This tool will replace the need for paper pledge forms increasing efficiency and confidentiality while providing a user friendly experience for the donor.

During October, you will receive an email regarding your pledge.

Your email is embedded with your own unique identifier that links you directly to your secure user account. Your financial information will remain confidential. Your United Way Champion will be able to see that you have accessed the tool, to include you in the overall status and/or incentives for your school, but will not be able to see any information about your current or past contributions.

Payroll and credit card contributions will be processed automatically. For those choosing to give by cheque, please print your pledge confirmation and submit with your cheque to your United Way Champion. (Cash may not be an option at your location, so ask your site Champion first).

2 Traditional Paper Pledge Form (side 2)

If you prefer to use a traditional paper pledge form, it's provided on the other side.

Simply print and complete the form and give it to your Site Champion (in an envelope) marked 'United Way and Your Name'.

Roll-Over Giving: Payroll Deduction Only (Pledge Form or Online Giving Tool)

When staff contribute through payroll deduction, the per-pay contribution will automatically continue (roll-over) each year. However, donors will have the option to opt out or alter your contribution at the start of each campaign.

3 Events

What a great way to create fun, momentum and team building experiences!

We encourage you to get involved in your school's events for United Way. If you have creative event ideas, please share them with your site Champion. Please be mindful of current health protocols.
