All work must be completed and submitted as instructed by the eLearning teacher. Students are expected to keep up with the course material, due dates and time commitments each week. **Students who do not login to their eLearning course regularly risk being removed from the course for failing to meet the requirements.**
4. TVDSB reserves the right to cancel courses if there is insufficient enrolment. Students/parents/legal guardians will be notified by email if a course they registered for is cancelled.
5. Summer eLearning students are expected to adhere to the standard rules of academic integrity, the same as expected of students in a classroom setting. It is recommended students read the entire Code of Conduct available under "Related Links" on the eLearning webpage located at: [www.tvdsb.ca/en/programs/new-credit-e-learning.aspx](http://www.tvdsb.ca/en/programs/new-credit-e-learning.aspx)
