In memory of Albert and Hazel Dolbear who were active members of their community and were strong believers in the values of integrity and social activism. They both died in 2007: Albert at the age of 93 and Hazel at the age of 84. Hazel herself went back to school later in life to become a nurse, so she understood the importance of Adult Education.

Selection Process

Applicants should have a recommendation from a Grade 12 Family Studies teacher. The School Awards Committee will review applications and recommendations, with the final decision to be approved by the donors (Gail and Jennifer McLeod).
