

BILL HORLEY STUDENT ATHLETE AWARD (BASKETBALL)

\$150.00

History

"My Grandmother can shoot foul shots better than that..." is a saying players under Coach Horley's direction would commonly hear.

Bill Horley taught math and coached girls' basketball at Lucas in the 80's. During that time his dedication to coaching and his level of personal commitment to the student athletes was exemplary; more over his teaching of discipline, toughness and dedication were instilled in the many players who graced the court under his tutelage. His coaching style: a stickler for the fundamentals creating plays around players' unique abilities and practice makes perfect attitude, was reflected in his ability to create, coach and co-coach winning teams.

Dick and Traute Peever, Christy Scholfield (nee Peever), Heidi Peever Bain; Jody McKee (nee Titcombe); Julie Kirkhope; Nicole Heckendorf; Michelle Patterson (nee Coleman), Heather Kirk, and Jim & Angela Peever would like to honour Bill Horley with this award.

Students and coaches should be recognized for their dedication, tenacity and drive on and off the court. As Lucas parents and alumni, we believe excellence in sports creates a foundation for life, whereby students develop the tools to learn, grow and reach their goals. We thank Bill Horley for his influence in our lives.

Selection Process

The girl's senior basketball coach(s) will decide. Vicky Horley or the donors may be approached to assist in the decision.

Available To

A. B. Lucas Secondary School

Criteria

Awarded to a graduating student who:

- Will be pursuing their goals at a post-secondary institution
- Must be an active member of the girls' basketball team
- Demonstrates team leadership, integrity, personal drive and a desire to exceed expectations

Deadline

See your school's guidance/student services office.
