The scholarship will be granted to a graduating student entering post-secondary education and pursuing a career in law enforcement. The student will show proof of acceptance into an accredited college or university. The student will demonstrate community volunteer involvement. The student will include a 250-word essay sharing how the bursary would benefit their educational and career goals and what they have done to prepare themselves for a career in law enforcement. Preference given to a student with financial need.

## Deadline

See your school's guidance/student services office.

## History

Established in 2021 by the Aylmer Police Association to honour the memory of Cst. Marsha Geling, who lost her battle with cancer on November 24, 2019. Cst Geling began her policing career in Aylmer in 1991, continuing a passion working with kids and her community. A constant presence in our schools, it is our hope that Marsha's commitment to youth, safety and education will endure and reward for years to come.

## Selection Process

A committee from the Aylmer Police Association to select recipient from qualifying candidates submitted by the School Awards Selection Committee.
