

# DON AND SHARON POOK MEMORIAL AWARD

\$500.00

## Criteria

To a graduating student pursuing a BScN within the Faculty of Health Sciences at a Canadian university.

The recipient must show:

- A final grade average of 80% or greater in each of the following 4U subjects: Biology, Chemistry, English, plus a final overall grade average of 85% or greater
- Formal written confirmation of their enrollment in a BScN program in a Faculty of Health Sciences at a Canadian university.

Student must demonstrate a working involvement within a community health care setting.

## Deadline

## History

Established in August 2010 in memory of Sharon Anne Pook and in 2015 for Don Pook.

## Selection Process

To be selected by the staff of Central Elgin Collegiate Institute and presented at the school's commencement ceremony. The sponsors of this award reserve the right to review all criteria submitted by the student prior to the final assignment of this award. The sponsors request the staff of Central Elgin Collegiate Institute to advise of time and place for this final review.
