History

This memorial scholarship was established by the classmates, friends, and family of Elisabeth Steel Reurink, a grade 12 student, who was killed tragically on a school skiing trip on March 5, 2009 at Blue Mountain. Elisabeth was a kind, exceptional young woman who aspired to excellence in all areas of her all-too-short life and inspired excellence in others. We believe that all children are children of the light and want to recognize children who inspire others to seek out their own personal light and inspire that light in others. For more information about Elisabeth please visit her website at www.elisabethsteelreurink.ca.

Each school forwards the completed application form and essay to Jackie Ellefsen, Executive Director, Thames Valley Education Foundation.
