

GEORGE CIPU TECHNOLOGY MEMORIAL AWARD

\$500.00

Criteria

The scholarship will be awarded to a student pursuing post-secondary education or an apprenticeship in the technical field.

The recipient should be a well-rounded student involved in extracurricular activities at school or outside to support the community.

Preference will be given to a student demonstrating an aptitude in the technical field, and improved skills.

Deadline

See your school's guidance/student services office.

History

Established in April 2020 in memory of George Cipu. George was a dedicated teacher and Director of Technology at West Elgin Secondary School for many years.

Selection Process

School will identify top candidate.

Available To

West Elgin Secondary School
