

GORDON AND JESSIE WIMBUSH FOUNDATION AWARD

\$1,000.00 PER YEAR
(FOR UP TO THREE YEARS IN TOTAL)

Criteria

The Award will be presented annually to one student graduating from an Elgin County Secondary School of the Thames Valley District School Board who is entering a university Science program:

- Involving the study of Botany or Dendrology with the goal of perhaps becoming an Arborist or Dendrologist or pursuing a career in Forestry.

In the event there is not a suitable candidate in these fields, a student pursuing a career in the fields of Conservation or Horticulture would be considered. Preference given to students with financial need.

Deadline

See your school's guidance/student services office.

History

Established in December 2011 by the Gordon and Jessie Wimbush Foundation.

Selection Process

The Principal, student services staff, and other staff members will select one nominee from each school and forward the applications to Public Affairs and Community Relations.
