

INTEGRITY TRANSPORTATION AWARD

**2 AWARDS OF
\$1,500.00**

Criteria

To two graduating students pursuing a career in the transportation industry, This student may be attending post-secondary education or may be entering a transportation workforce directly.

Deadline

See your school's guidance/student services office.

History

At 53 years old and after experience working as a freight broker, Mary Lou Obrien started her own freight brokerage, Integrity Transportation Logistics Inc. Within 3.5 years, sales reached over \$2 million and although she had no experience running the business side, her great skill of common sense and drive assisted her in running the back successfully.

Selection Process

Applications will be sent to donor for final adjudication. School staff may be consulted.

Available To

East Elgin Secondary School
