

THE JOHN JOBSON MEMORIAL AWARD

\$150.00

Criteria

The winner of this award will be a student in their final year of high school who plans to enter a Heavy Equipment Operator, a community college Agricultural or Construction/ Technology program.

Deadline

See your school's guidance/student services office.

History

This award will be granted in memory of John Jobson, a former Glencoe District High School graduate from the class of 2006. John was passionate about everything that he did including working as a heavy equipment operator and farming. He was a valued member of the hockey, badminton and archery teams while at Glencoe and was an enthusiastic member of 4-H in his youth. This award is supported by the generous contributions of the class of 1980.

Selection Process

The recipients will be determined by the School Awards Committee.
