

JOSEPH GREENFIELD MATH AWARD

\$100.00

Criteria

The award will be granted to a grade 11 Math student who maintains an average of at least 80% and demonstrates a positive attitude in their school and community.

Deadline

See your school's guidance/student services office.

History

Established in 2001 by Richard Greenfield, a nephew of Joseph Greenfield, a single man who bequeathed his estate to his 11 nephews and nieces.

Selection Process

The recipient will be determined by the School Awards Committee.

Available To

H. B. Beal Secondary School
