

# MUSIC PASSION AWARD

\$500.00

## Criteria

To be awarded to a student who demonstrates a passion for music, as observed by teachers at CECI. Preference to be given to students demonstrating financial need, to support the purchase of supplies that may be needed to continue to pursue music. Student does not need to have direct involvement in music at the school, but rather this scholarship should be awarded to the student who shows the biggest passion for music.

## Deadline

See your school's guidance/student services office.

## History

This award was created in 2024. The donor believes that a privilege of participating in the high school music program is access to a musical instrument. After graduating, this privilege is lost and can stop young musicians from continuing their passion. This award is meant to enable passionate students to continue pursuing music in whatever way they like after high school.

## Selection Process

The recipients will be determined by the School Awards Committee

## Available To

Central Elgin Collegiate Institute
