

SHANNON JAMES OUTSTANDING CITIZENSHIP AWARD

\$500.00

Criteria

To a graduating female student who is proceeding to post – secondary education in the year they graduate at a Canadian college or university.

The candidate should possess qualities of dependability, service and leadership while contributing to all facets of student life as a well-rounded person, including extra-curricular school activities (including and not limited to sports, clubs, arts) and out of school activities such as a volunteering or part-time job.

The student will display qualities of good citizenship and perseverance in making an exceptional contribution to the school community.

Deadline

See your school's guidance/student services office.

History

Established in 2019 by Shannon Crinklaw (nee James) to recognize a female student who has made a significant contribution to East Elgin Secondary School by their participation in extra-curricular activities while maintaining balance with out of school activities as well.

Selection Process

The recipient will be determined by the School Awards Committee.

Available To

East Elgin Secondary School

Special Notes

The student must have attended East Elgin Secondary school for at least 3 consecutive years.
