

STANLEY ROBERT BLAIR BURSARY FUND

TBD

Criteria

The recipient must be pursuing education at a post-secondary institution, not necessarily university, and have:

- A financial need
- Demonstrated a commitment to maximizing their potential through consistent study habits
- A desire to succeed

Deadline

See your school's guidance/student services office.

History

Stanley R. Blair was an educator who spent his professional career with the former Oxford County Board of Education. He retired as principal of Huron Park Secondary School in 1971. It was his belief that the most deserving students were not always those with the highest scores, but rather those who achieved success through hard work and a belief they had the potential to succeed.

Selection Process

The recipient will be determined by the School Awards Committee.
