

# TRAVIS M. SMALL MEMORIAL BURSARY – AGRICULTURE AWARD

\$500.00

## Criteria

Graduating student who is immediately continuing to post-secondary education (high school must be completed in four years).

Student must display an extraordinary degree of integrity, responsibility and determination, is a leader within the school with a strong entrepreneurial spirit and shows a strong interest in Animal Biology and Agriculture industry.

Additionally, the student must demonstrate a good attitude towards learning and life and must be deserving of a scholarship. Preference for students attending Guelph or Ridgetown for post-secondary.

## Deadline

See your school's guidance/student services office.

## History

This fund was established in memory of Travis Small who passed away on June 1, 2011. This award recognizes student dedication, determination and endurance to achieve academic success.

## Selection Process

Please include a brief statement regarding the goals and purpose with respect to the selected course of study. A resume highlighting the student's education, experience, awards, community service and references. Student must have a reference letter written on their behalf by a teacher (former teacher), employer or coach. Family is included in the selection process.
