

V. B. KING ENGINEERING BURSARY/SCHOLARSHIP

TBD

Criteria

A graduating student who is enrolled in Engineering at an accredited Canadian university. The student must also have academic proficiency, a financial need and a keen interest in Engineering.

Deadline

See your school's guidance/student services office.

History

Established in 1989.

Selection Process

Applications received by the Student Services Department. These are submitted to the principal and selected staff who in turn, submit one recommended student from each of the schools to Jackie Ellefsen, Coordinator Development. The recipient will be determined by the Oxford County Selections Committee.
