## History

Established in 1986. Vivian Sturdee was an arts teacher at Beal Secondary School from 1970-1986. Upon her death, money was collected from family and friends and put into a trust with the former London Board of Education. The purpose of this trust was to keep Vivian's name active and to provide some recognition to students who enjoyed the opportunities provided through the art department. The annual interest earned was to be divided amongst several students in the Art Department in that there should be one large award and then others to recognize the various aspects of the department's offerings.

## Selection Process

Recipients will be chosen by the Bealart Scholarship and Awards Committee.
