

# W. R. CAVANAUGH SCHOLARSHIP

\$500.00

## Criteria

The student who satisfactorily completes six technical subjects of which three must be at the grades 11 and 12 level. The student having the highest average in all six technical subjects will be the successful recipient.

## Deadline

See your school's guidance/student services office.

## History

Established in 1979 by William R. Cavanaugh. "The cause of Industrial, Technical and Commercial Education has occupied many years of my life and I want to show my continuing interest by providing a small monetary award to a successful and promising student".

## Selection Process

The staff members in the Technical Studies Department will nominate the successful candidate.

## Available To

Secondary Schools within the Thames Valley District School Board
