

# WARRIORS AWARD

\$250

## History

This award was established in 2022 by Laurie Farquharson, Guidance Department Head. This award was created to recognize the tremendous amount of perseverance, resiliency and determination required by a student to overcome personal challenges and barriers and successfully graduate.

## Selection Process

School Selections Committee

## Available To

Medway High School

## Criteria

Awarded annually to a graduate who shows a tremendous amount of perseverance, resiliency, and determination to overcome personal challenges and barriers and successfully graduate. If there is no student that meets the criteria for that year, it does not need to be awarded.

## Deadline

See your school's guidance/student services office.
