It is the policy of the Thames Valley District School Board (the "Board") to comply with the Fair Dealing Guidelines as developed by the Council of Ministers of Education Canada ("CMEC") Copyright Consortium, as the same may be amended from time to time by CMEC and/or based on the recommendations of administration (on the advice of counsel) to address the operational particulars of the Board or changes in applicable law. The Board will communicate the Fair Dealing Guidelines (as the same may be amended from time to time), to all school locations on an annual basis in order to ensure that all staff [and volunteers] are made aware of the obligations of the Board so it can avail itself of the fair dealing and other provisions of the Copyright Act (as amended by the Copyright Modernization Act), as such provisions may be amended, replaced, superseded or interpreted, from time to time.
