| Reference(s) | The Countering Distracted Driving and Promoting<br>Green Transportation Act, 2009<br><br>Learning Support Services Memo: Employee<br>Wireless Device Guidelines, Nov. 3, 2009 | Effective Date | 2010 Mar. 09 |

It is the policy of the Board that, in compliance with the Ontario law, using a hand-held wireless device while operating a vehicle is prohibited in TVDSB. Employees should plan calls to allow placement of calls either prior to travelling or while on breaks.

The Board shall not take responsibility for any individual in contravention of the above. Any fines, tickets, etc., related to use of Board wireless/cellular equipment while operating a vehicle is the sole responsibility of the individual.
