Thames Valley District School Board ("TVDSB") appreciates and values the contributions of our communities. We also recognize that the fundraising activities of, and donations from, individuals and organizations, including community based organizations, can foster community engagement and enhance educational offerings and opportunities.

Fundraising activities for, and donations to, school projects, enhancements, equipment and programs:

- shall only be undertaken or accepted, as applicable, after appropriate consideration and analysis;

Administered By	Organizational Support Services	Board Resolution No.	14.d.1
Amendment		Amendment Resolution No.	
Date(s)			

- should only be undertaken or accepted, if consistent with Board policies and procedures and Ministry of Education regulations and directives, including, the Ministry of Education's 2012 Fundraising Guideline; and
- shall be for designated and clearly understood purposes and such purposes shall be consistent with TVDSB's mission, vision and commitments..

Funds received are to be used to complement (and not replace), public funding for education.

The establishment of awards, scholarships, bursaries and loan funds from the community to recognize student achievement, good citizenship qualities and to support student financial needs is addressed in TVDSB's policy and procedure entitled "Student Awards, Scholarships, Bursaries and Loans". TVDSB has recognized Thames Valley Education Foundation as the vehicle to administer all new student awards, scholarships, bursaries and loans.
