Principal's Message

Dear West Nissouri Families,

We hope everyone had a wonderful and restful March Break. It has been great to welcome our students and families back to school, and we are excited for all the learning and activities ahead. This stretch of the year always brings renewed energy, and we are looking forward to a strong and engaging spring together.

With the arrival of spring weather—along with its mix of sunshine and showers—we ask that families send children prepared for outdoor recess each day. We try to enjoy the outdoors as much as possible whenever conditions allow, and having proper clothing ensures students can stay comfortable while getting fresh air and movement throughout the day.

We are also excited to remind everyone that our Family Literacy and Math Night is happening this Thursday from 6:00 p.m. to 7:30 p.m. This event is specially designed for our JK to Grade 3 students and their families. We look forward to welcoming you for an engaging evening filled with hands-on learning activities, exploration, and fun.

If you have any questions or concerns, please don't hesitate to reach out. We're always happy to connect with families and support our students in every way we can.

Sincerely,

Ms. I. Hollander

Mrs. N. Pol

A Gentle Reminder to our Students of the Importance of Being Good Stewards of our Community ...

As warmer weather arrives and many of our Grade 7 and 8 students choose to leave school property during nutrition breaks, members of our community have noticed an increase in litter on nearby walkways and lawns. We kindly ask families to remind their children about the importance of being good neighbours by showing care and respect for the shared spaces around our school. Encouraging students to dispose of garbage responsibly helps us maintain positive relationships with our community and keeps our neighbourhood clean and welcoming for everyone.
