Principal's Message

Dear West Nissouri Families,

We are pleased to share that our recent Jump Rope for Heart activity day was a huge success! Students from all grades came together to participate in a variety of fun and energetic skipping activities, all while supporting a great cause. The playground was filled with laughter teamwork and impressive jump rope skills. Thank you to everyone who participated and helped raise awareness for heart health, your enthusiasm made the day truly memorable!

West Nissouri's Track and Field day was another exciting event that showcased the incredible athletic talents of our students. From sprints to long jump, students gave it their all, and we are proud to share that our finalists will be moving on to the regional competition this Friday. We wish them the best of luck and know that they will represent our school with pride and determination. Go Wildfire!

Looking ahead, we are excited for the upcoming year-end class field trips that promise to be both educational and fun. These excursions offer students a chance to explore new places, bond with classmates, and create lasting memories. A heartfelt thank-you goes out to our dedicated teachers who have worked tirelessly to plan and organize these valuable experiences. These efforts are deeply appreciated by students and families alike. An additional big thank you to our Home and School and all of our families who support the fundraising efforts that help reduce the costs of these trips. Thank you for your generosity and support! We look forward to all of the exciting learning opportunities and celebrations remaining in the school year.

Sincerely,

Ms. I. Hollander

Mrs. A. Duncan

Parking Reminders

A reminder to please be a courteous neighbour and not block driveways when parking your vehicle. We recognize that parking can be a challenge during drop off and pick up times, especially with the excessive amount of snow we have experienced this winter, however homeowners do need to be able to access their driveways safely.

Also, a reminder to please honour the accessible parking spots. These are designated only for those that have a permit.

Thank you!

And remember...

Be KIND, Be SAFE and always TRY
YOUR BEST.
