Principal's Message

Dear West Nissouri Families,

October has brought a great sense of routine and momentum to our school days. Students have settled in well and are actively participating in both academics and extracurriculars. We're proud of our cross country and soccer athletes who represented West Nissouri with skill and effort, and we're excited to see basketball season now underway. A big thank you to our coaches for their time and enthusiasm!

Our school choir has also begun rehearsals, preparing for their first performance at our Remembrance Day assembly. Families and community members are warmly invited to join us as we honour the soldiers who have fought for our freedom. We look forward to sharing this meaningful event with you.

Progress reports will be home on November 7th, with Parent/Teacher interviews taking place on November 14th. Please see the chart below which outlines how student progress is reported.

Progressing Very Well	Progressing Well	Progressing with Difficulty
• Student achievement is meeting or surpassing the provincial standard • Letter grades B to A+ • Numerical grades 74 to 100	• Student achievement is approaching the provincial standard • Letter grades C to B- • Numerical grades 64 to 73	• Student achievement is not currently meeting the provincial standard • Letter grades below C • Numerical grades below 64

Educators look forward to sharing with you your child/children's progress and how we will continue to support their learning.

Sincerely,

Ms. I. Hollander

Mrs. N. Pol

Halloween Update

Students are welcome to dress in a costume or orange and black, if they wish, on October 31st. We ask that masks and props such as weapons, however, are left at home. If you choose to send a treat on Halloween, please ensure that it is nut-free.

Thank you!

Thames Valley
District School Board

The TVDSB Student Achievement Plan is now available on the TVDSB website! The Student Achievement Plan framework was developed by the Ontario Ministry of Education as part of the Better Schools and Student Outcomes Act, 2023. The plan includes 5 goals and 11 indicators that all school boards in Ontario must use to track student achievement in core academic skills, preparation for future success, engagement, and well-being. School boards use the data to create action plans for improving outcomes for students.

We are working to bring this plan to life with students at our school through the development and implementation of our School Improvement and Equity Plan and our Safe and Inclusive School Plan. We will continue to provide updates to the school community related to our ongoing efforts to support student achievement, future success, engagement, and well-being. If you have questions about these plans, please contact the school principal.

Click [here](#) to review the district plan and to learn more about the indicators and the work that TVDSB is doing in 2025-2026 to support student achievement and well-being.

We are interested in hearing from you about the TVDSB Student Achievement Plan.
