The TVDSB Student Achievement Plan is now available on the TVDSB website!

The Student Achievement Plan framework was developed by the Ontario Ministry of Education as part of the Better Schools and Student Outcomes Act, 2023. The plan includes 5 goals and 11 indicators that all school boards in Ontario must use to track student achievement in core academic skills, preparation for future success, engagement, and well-being. School boards use the data to create action plans for improving outcomes for students.

This plan is supporting students at our school through the development and implementation of our School Improvement and Equity Plan and our Safe and Inclusive School Plan. We will continue to provide updates to the school community related to our ongoing efforts to support student achievement, future success, engagement, and well-being. If you have questions about these plans, please contact the school principal or email TVDSB at: info@tvdsb.ca.
