National Indigenous History Month

June is National Indigenous History Month.

There are over 600 diverse First Nations communities across present day Canada. We live on lands that Indigenous communities have cared for, for thousands of years. They each have different languages, customs, traditions, and ways of doing things. Learning about the local Indigenous communities helps us understand where we live and how we are connected.

The TVDSB Student Achievement Plan is now available on the TVDSB website!

The Student Achievement Plan framework was developed by the Ontario Ministry of Education as part

of the Better Schools and Student Outcomes Act, 2023. The plan includes 5 goals and 11 indicators

that all school boards in Ontario must use to track student achievement in core academic skills,

preparation for future success, engagement, and well-being. School boards use the data to create

action plans for improving outcomes for students.

This plan is supporting students at our school through the development and implementation of our

School Improvement and Equity Plan and our Safe and Inclusive School Plan. We will continue to

provide updates to the school community related to our ongoing efforts to support student

achievement, future success, engagement, and well-being. If you have questions about these plans,

please contact the school principal or email TVDSB at: info@tvdsb.ca.

Click [here](#) to review the district plan and to learn more about the indicators and the work that TVDSB is

doing to support student achievement and well-being. We are interested in hearing from you about the

TVDSB Student Achievement Plan. Click [here](#) to access a form to share your thoughts with us.
