

POLICY

Title: **AUTOMATED EXTERNAL
DEFIBRILLATORS IN SCHOOLS**

Policy No.: 3014
Effective Date: 2017 June 27

Department: Organizational Support Services – Human Resources

Reference(s):

- Education Act
- Chase McEachern Act (Heart Defibrillator Civil Liability Act) 2007, S.O. 2007,c.10, Sched.N
- Procedure: Automated External Defibrillators in Schools (AEDs)
- Acceptance of Donations, Gifts and Equipment Policy and Procedure
- First Aid Training Procedure

It is the policy of the Board that there shall be AEDs in all schools and that there shall be a consistent approach and procedure in place in all Board sites, which address the purchase/donation, installation and maintenance of Automated External Defibrillators (AEDs).

The Board commits to the installation of AEDs in all schools over a 3-5 year period beginning September, 2017.

The policy applies to all Board owned schools and administrative sites.
